

WORK EXPERIENCE (WEXP)

Credit Courses

WEXP 290 Work Experience Education (1-4 Units)

Hours: 216 (216 lab)

Combines academic study and practical work experience to develop students' marketable skills. Students pursue new or expanded objectives or learning opportunities beyond those experienced during previous employment. Student jobs need not be related to their educational goals.

Students sign up for a unit load according to the number of hours they will work in a semester: 1 unit = 54 hours work or internship. Course restricted to 3 repetitions

Transfer Information: CSU Transferable
