

DIGITAL PHOTOGRAPHY LEVEL 1, CERTIFICATE OF COMPLETION

Requirements

Digital Photography Level 1 Certificate of Completion prepares students to enter the photographic market and provides a basis for more advanced college training and career advancement. Students learn the basics of digital photography to produce photographic essays for specific markets covering a wide range of subjects. Using Adobe Lightroom Classic, participants will also gain the skills to optimize the impact and storyline of their images, making them more competitive and enhancing their employability in this market.

Code	Title	Units
PHOW NC001	Digital Cameras, Digital Photos	0
PHOW NC006	Editorial Photography	0
PHOW NC003	Lightroom Classic 1	0
