

ESL LEVEL 2, CERTIFICATE OF COMPETENCY

Beginning high courses are designed to support English Language Learners and adult immigrants in developing the vocabulary, reading, writing, speaking, and listening skills needed for living and working in the United States and in the local community. This contextualized ESL course integrates academic and employability skills.

Code	Title	Units
ESLN NC02A	ESL 2 - A Beginning High	0
ESLN NC02B	ESL 2 - B Beginning High	0
ESLN NC02C	ESL 2 – C Beginning High	0

Learning Outcomes

1. Make an oral claim using comparative and superlative adjectives.
2. Read a short passage or listen to a simple oral presentation and identify the main idea and key details with support of question prompts related to housing, community, or health.
3. Ask and answer information questions (who, what, when, where, how) related to employment and education, or after reading a level-appropriate visual representation of data such as a map, chart, or schedule.
4. Write a paragraph of five sentences demonstrating the ability to use either present, past or future tenses.
