

ESL VOCATIONAL, HEALTHCARE, CERTIFICATE OF COMPLETION

Requirements

The Vocational ESL Healthcare certificate helps prepare intermediate to advanced level students for success in healthcare certificate courses such as Medical Assistant and Personal Care Attendant. Special emphasis is placed on the English skills needed to communicate in the healthcare field. There are no prerequisite requirements for this program, and courses are open to all students.

Code	Title	Units
ESLV NC33A	Vocational ESL Healthcare: Module A	0
ESLV NC33B	Vocational ESL Healthcare, Module B	0

Learning Outcomes

1. Demonstrate correct use of basic vocabulary and English language related to healthcare.
2. Use English vocabulary to describe duties and skills of medical assistants and personal care attendants.
3. Demonstrate English language job readiness through completion of a job application, resume and interview skills.
