

# SCHOOL OF EXTENDED LEARNING

---

School of Extended Learning offers educational and community programs that serve our diverse adult population. Our programs advance career and life skills, and offer bridges to credit.

Our programs are designed for adult learners seeking to advance their career or life skills. Most Extended Learning programs are tuition-free and include Adult High School/GED, English as a Second Language, Career and Vocational Skills, Courses for Older Adults, Home Economics, Parenting, and Health & Safety. These programs can provide pathways for students to advance to the credit division of SBCC and/or obtain employment. In addition to tuition-free programs, Extended Learning offers fee-based programs in life enhancement subjects such as Cooking, Culture, Travel, Fitness, Recreation, Do-It-Yourself, Languages, and Spirituality. Courses at the School of Extended Learning are largely offered at our Wake and Schott campuses.
